

## RACE REPORT

### **NSW Superstock 1000cc State Titles**

### **NSW F1 Bears**

### **Oran Park, NSW**

**25<sup>th</sup> – 26<sup>th</sup> April 2009**

The North Coast V-Twins Race Team had another successful weekend at Oran Park contesting the NSW Superstock 1000 State Title and NSW F1 Bears series.

Beau Beaton won all five of his Super Stock 1000 races and secured the NSW Title. He posted constant times in very tricky windy conditions. With consistent times in the 1m 11s bracket, Beau was well ahead of any of the competitors in the Superstock class and decided to play with the Superbike boys. He came 4th outright in the State Superbike Titles. The reigning Australian Superbike Champion Glen Allterton took out the NSW Superbike Title. After some great starts from Beau, he led the champ in the final race for over two laps of the seven lap race on the Superstock Ducati 1198S.

Long time friend and Ducati 1098 owner, Ryan McLauchlan, also rode for the team contesting the NSW F1 Bears series. Having his first outing at Oran Park and on the 1098, Ryan was very impressive running 2nd to John Allen on the Ducati 1098R all weekend. By the end of the weekend Ryan's lap times were in the 1m 14s bracket which is a remarkable accomplishment on the standard 1098 with road spec Showa Suspension and treaded Dunlop N-Teck tyres.

Congratulations to Beau and Ryan for their individual achievements and many thanks to all that made this weekend such a great success for the North Coast V-Twins Race Team including dad's Ashley Beaton and Rob McLauchlan, Ryan's girlfriend Hannah, Ross Thompson for always keeping the bikes fuelled and cleaned, Red from Red's Racing, and Nick from Teknik Suspension.

As always, thanks to our sponsors for your support:

- Teknik Suspensions
- Agip Oils
- North Coast V-Twins
- Beaton's Home Appliances
- Victor Rullis Marriage Celebrant
- Barry Blacker Pumps
- Eriga Radguard
- Skin By Finn
